MACOMB COUNTY COMMUNITY SERVICES PROVIDES ASSISTANCE TO DELIVERABLE FUEL USERS

MOUNT CLEMENS, Mich. – The Macomb County Community Services Agency (MCCSA) will provide funds to assist low-income residents of Macomb County who use deliverable fuel.

The assistance is available to Macomb County residents who meet income guidelines and demonstrate a need for deliverable fuel. The agency encourages people who may be eligible to contact their nearest Community Action Center.

For example: A family of four whose yearly income is less than \$29,000 may qualify. Applicants must provide proof of household members and total household income.

Eligible fuels include fuel oil, propane, wood and coal.

MCCSA does not provide the fuel directly; payments are made to fuel providers on the behalf of residents.
